

# Habitat for Humanity®

La Crosse Area

**Habitat for Humanity La Crosse Area builds homes in our community, but did you know we do so much more?**  
**Habitat offers a hand up and not a handout!**

## Homeownership

Habitat homes are **NOT** free. We help families currently living in unsafe, dilapidated, and unaffordable housing. With the help of hundreds of volunteers, our organization builds 4-6 homes each year for income-eligible families. Each family contributes at least 350 "sweat equity" hours working to help build their home which they purchase from Habitat for the full value, utilizing a 0% interest mortgage.

## Habitat ReStore

Visit the Habitat ReStore for new and gently used home improvement products, building materials, appliances, furniture, home goods, and MORE at 50-75% off the retail price. Make the Habitat ReStore your first stop when shopping for your next project. New items arrive each week, so shop often! 100% of ReStore proceeds stay right here in your community.

## Critical Home Repairs

Our Critical Home Repair program provides home repair services for low-income homeowners. This program focuses on aging in place, accessibility, and emergency repairs for homeowners who struggle to stay safe in their homes.

## ReClaim Materials

You're saving the environment and helping families! ReClaim is a FREE program that removes usable materials from homes and businesses being demolished or remodeled, diverts them from the landfill and resells them at the ReStore where they will find new homes and be used for many years to come! All proceeds directly benefit Habitat's programs.

## Habitat for Heroes

Habitat for Heroes is an exciting initiative. This program, supported by local veteran and veteran organizations, supports safe affordable housing for local veterans and encourages interaction, skill development, and support for veterans through volunteerism.

## Team Build

Team builds are individuals, organizations, businesses, and others who come together to volunteer their time to help Habitat build homes in our community. Team Build is a great way to strengthen relationships while at the same time strengthening your community.

## How You Can Get Involved

There are many ways for individuals, businesses, organizations, and faith-based groups to join us in our effort to eliminate substandard housing in the Coulee Region. If you'd like to know more about any of these programs, please contact us today at [info@habitatlacrosse.org](mailto:info@habitatlacrosse.org).
